author of

Your Family *A Donor Kid's Story*

Wednesday,
August 1st
at *5:30pm*

A first-of-its-kind book for kids involving half sibling and donor references, *Your Family* is illuminated in fun, easy-to-understand graphics and factual reproductive descriptions. The book starts with the parent's desire to have a baby, the use of a donor, and then broaches the topic of half siblings and biological parents/donors. This is a perfect book for the millions of donor-conceived children to learn about how they were conceived and for understanding that being curious about their unknown genetic origins and relatives is natural.

This is a FREE children's event, open to everybody!
